

AIR SPIKE

Air Freshener & Deodoriser

Description

AIR SPIKE is a highly concentrated, water based deodoriser and air freshener engineered to effectively combat stubborn odours, including persistent tobacco smells, in a variety of demanding environments. This dual action cleaner and deodoriser not only neutralises and eliminates odours at the source but also leaves a long lasting, pleasant residual fragrance that continues to combat strong smells over time. Ideal for hotel and motel rooms, bin areas, general indoor spaces and any industry where odours may occur. Air Spike is versatile for use in hospitality, commercial facilities and residential settings. The water based composition ensures safe, easy application without harsh chemicals, making it suitable for frequent use in high traffic areas. Air Spike delivers powerful odour control and cleaning performance, ensuring spaces remain fresh, inviting and free from unwanted smells. Choose Air Spike for a reliable, concentrated solution that enhances air quality and maintains a welcoming atmosphere effortlessly.
