

Description

ALCA KLEEN is an alcohol based surface sanitiser and disinfectant ready for immediate use in food preparation, beverage and dairy industries. Powered by ethanol and quaternary ammonium compounds, it delivers excellent disinfection on benchtops, equipment and high risk areas after preliminary cleaning. This versatile formula works effectively in hot or cold water, evaporating rapidly to minimize downtime and residue. Ideal for moisture sensitive environments, ALCA KLEEN ensures thorough germ killing action without leaving surfaces damp, promoting faster turnaround in busy operations. Boost hygiene standards with its quick application spray that penetrates and eliminates contaminants on contact. Perfect for maintaining compliance in demanding settings, it combines rapid evaporation with powerful sanitising performance to keep workspaces pristine and production flowing seamlessly. It is your reliable partner for superior cleanliness and efficiency.
