

BRAKE KLEEN Solvent Cleaner

Description

BRAKE KLEEN is a high performance, solvent based cleaner specifically engineered to eliminate brake dust, excess contaminants and stubborn buildup from vehicle braking systems, ensuring optimal functionality and safety. This fast evaporating formula penetrates and dissolves dirt, grease, oil and grime with ease, leaving no residue behind for a clean & dry finish that prevents further contamination. Versatile for use as an effective parts cleaner and degreaser. Brake Kleen serves as a reliable alternative in workshop environments for tackling tough residues on tools, machinery and surfaces. The powerful solvent action delivers professional grade results, extending the life of braking components and maintaining peak performance in automotive maintenance. Ideal for mechanics, auto shops and DIY enthusiasts, Brake Kleen combines rapid evaporation with superior degreasing power, making it an essential tool for efficient thorough cleaning that upholds industry standards for precision and reliability.

Features & Benefits

- Solvent based
- Removes dirt, grease & residue
- Rapid evaporation
- Leaves no residue
- Low odour

For Use On

- All vehicle braking systems
- As a parts cleaner
- As a degreaser.

Directions for Use

Apply Brake Kleen using specialised spray pump pack or by dipping or brushing on.
Apply directly to contaminated surface and allow to air dry.
Product will evaporate quickly leaving no residue.

Technical Information

Appearance: Colourless Liquid
Odour: Paraffinic Sweet
Solubility in Water: Not Miscible

Available Sizes: 20L
pH: N/A
Specific Gravity: 0.72

Safety

Keep out of reach of children. Highly flammable liquid. Avoid contact with skin & eyes. Minimise inhalation. For further Safety and First Aid Information, please refer to the applicable SDS available on our website. All information pertains to the **correct use** case.
