

FUEL KING™

Petrol and Diesel Fuel Conditioner

Description

FUEL KING™ is a locally developed, mobile blue liquid fuel conditioner formulated as an effective control agent against water and algae contamination in petrol and diesel fuels. This versatile additive assists in the cleaning of fuel injectors and the dissolution of waxes, gums and varnishes that can accumulate in fuel systems, ensuring optimal engine performance and longevity. Compatible with all modern diesel vehicles, bio-diesels, petrol and two-stroke fuels, Fuel King™ removes water residues, provides protection against corrosion and bacterial growth and maintains fuel system integrity across a broad range of applications. It's non-flammable properties make it safe for storage and use on boats, ships, vehicles and machinery, offering peace of mind in marine and mobile environments. Ideal for fleet operators, boat owners and everyday drivers, Fuel King™ delivers reliable, multi fuel compatibility and proactive maintenance benefits, preventing costly downtime and enhancing fuel efficiency without compromising safety or compatibility.

Features & Benefits

- Removes water residue in fuel
- Compatible for all modern diesel
- Compatible for Bio Diesel
- Corrosion protection
- Algae protection
- Petrol and diesel fuels
- Dissolves waxes, gums and varnishes
- Non-flammable

For Use On

- Diesel fuels
- Bio diesel
- Petrol fuels
- 2 stroke fuels

Directions for Use

Initial does: add 200ml of Fuel King™ to an 80L tank of fuel
Ongoing use: add 25ml of Fuel King™ to 100L of fuel

Technical Information

Available Sizes: 200ml | 1L | 5L | 10L | 20L | 200L | 1000L (IBC)

Appearance:	Blue Liquid	pH:	N/A
Odour:	Mild Characteristic	Specific Gravity:	0.91
Solubility in Water:	Insoluble		

Safety

Keep out of reach of children. Avoid contact with eyes.
