

Description

KWD HAND SOAP is a concentrated liquid hand soap featuring a gentle blend of mild detergents designed to effectively remove dirt, grime and everyday residues while preserving skin's natural moisture. This fully biodegradable formula ensures hands are left impeccably clean, soft and refreshed, making it suitable for all skin types in both residential and commercial settings. Infused with a pleasant fruity fragrance, KWD Hand Soap provides a refreshing sensory experience that enhances hygiene routines without irritation or dryness. The concentrated nature allows for economical dilution, extending product life and reducing waste, while the mild composition prioritizes skin health for frequent use. Ideal for workplaces, homes and public facilities, KWD Hand Soap combines reliable cleaning performance with biodegradable benefits, supporting sustainable practices and delivering the professional touch needed for optimal hand care.
