

Description

KETTLE KLEEN is a granular colourless crystal descaler featuring a safe organic acid that gently removes calcium and lime scale buildup from kettles and hot water urns for optimal performance and longer appliance life. This non-toxic formula dissolves deposits effortlessly, restoring efficiency and preventing efficiency loss or off-tastes in your beverages. Versatile enough for descaling both domestic and commercial dishwashers, it tackles hard water minerals in minutes without harsh scrubbing. Simply add to the appliance, boil or run a cycle, then rinse for sparkling results that keep your equipment running smoothly. Ideal for homes, offices, cafes or kitchens. KETTLE KLEEN delivers professional grade cleaning with minimal effort, ensuring reliable hot water delivery and spotless interiors every time.

KETTLE KLEEN

Kettle & Urn Descaler

Features & Benefits

Safe to use organic acids
Non toxic
Removes calcium and lime scale

For Use On

Kettles & Urns
Dishwashing machines
Domestic & Commercial

Directions for Use

For Kettles: Add 1/4 Cup (50-60 grams) to kettle, top up with water and bring to the boil. Allow to stand for 5 minutes then empty and rinse with clean water. Fill again and bring to boil. Discard water. The kettle is now ready to use.

For Urns: Add 3/4 Cup (150-180 grams) to urn.

Repeat the kettle procedure.

Dishwashers: Turn off chemical dose pump. Add 3 cups (600 grams)

to dishwasher then allow the unit to proceed through wash sequence, followed by rinse cycle.

Once complete turn on the chemical dose pump and the machine is ready for normal wash procedures.
