

## KLEEN BRIGHT Acidic Detergent

### Description

KLEEN BRIGHT is a safe, multi purpose acid cleaner engineered specifically for professional detailing of cars, trucks, caravans, buses, rail cars and boats, with exceptional efficacy on aluminum surfaces. This versatile formula excels at brightening alloy wheels, cleaning chrome and effectively removing red dust and rail dust, restoring surfaces to a brilliant, like new shine without the risks associated with harsher chemicals. Free from hydrofluoric acid, Kleen Bright provides a safer alternative to traditional acid cleaners, ensuring gentle yet powerful action that protects delicate materials while delivering superior results. Ideal for automotive enthusiasts, fleet operators and detailing professionals. The multi-purpose design allows for targeted applications in various detailing tasks, promoting efficiency and safety in every use. Kleen Bright combines robust cleaning performance with user friendly safety, making it the preferred choice for achieving spotless, protected surfaces that withstand environmental challenges.
