

## Description

LIQUID BLEACH is a powerful chlorine activated bleach and sanitiser containing 4% sodium hypochlorite, delivering industrial strength disinfection and cleaning performance. This versatile formula acts as a general purpose disinfectant, effectively eliminating bacteria, viruses and germs in high traffic areas while tackling tough stains on white cottons. Easy to apply, it brightens fabrics, removes grime from floors and hard surfaces and restores hygiene in ablution areas, bathrooms and toilets. Ideal for commercial facilities, healthcare settings or homes demanding thorough sanitation. LIQUID BLEACH penetrates deeply for lasting results with minimal effort. Use diluted for routine cleaning or full strength for heavy duty tasks, achieve sparkling surfaces, fresh whiteness and superior protection against contaminants. Trust this reliable essential for professional grade stain removal and sanitising power every time.

## LIQUID BLEACH

General Disinfectant 4% Chlorine

## Features & Benefits

Ease of application  
General purpose disinfectant
