

Description

METHYLATED SPIRITS is a clear, colourless liquid blending ethanol with denaturant, serving as a powerful 100% active solvent and excellent sanitiser across multiple industries. This fast evaporating formula mixes easily with water, delivering streak free cleaning on glass, mirrors and windows while dissolving grease, inks and residues. Ideal for sterilising medical equipment, thinning paints and lacquers or degreasing surfaces before coating, it provides hospital grade sanitation and professional results in healthcare, automotive, workshop and janitorial applications. Highly versatile for critical drying times. METHYLATED SPIRITS ensures spotless clarity and hygienic outcomes every use. Handle with care, highly flammable and must be kept away from ignition sources. Choose this multipurpose powerhouse for reliable, high performance cleaning and sanitising that meets demanding standards effortlessly.

METHYLATED SPIRITS

Denatured Ethanol Solvent

Features & Benefits
