

POWDER BLEACH

Chlorinated Bleach Powder

Description

POWDER BLEACH is an organic based chlorine bleach powder containing 6% available chlorine, designed for commercial laundry applications. This powerful formula cleans, whitens, deodorises and removes tough stains and mildew from white bleachable fabrics. Add it dry directly to the wash wheel alongside detergent for enhanced results or use as an effective pre-soak for stubborn marks. Built in water softeners ensure optimal performance in varied water conditions, while its free rinsing action leaves no residue for crisp, bright outcomes. Ideal for automatic washers in hotels, hospitals or laundromats, POWDER BLEACH delivers professional grade bleaching that restores whiteness and freshness load after load. Simplify heavy duty laundry with this reliable powerhouse that tackles stains efficiently and maintains fabric integrity.

Features & Benefits

- May be added dry to wash
- Bleaches out stains and mildew
