

POWER RINSE

Auto Feed Rinse Aid

Description

POWER RINSE is a highly effective, automatic feed rinse aid engineered for seamless integration with all commercial dishwashers, optimizing performance across most water types to deliver exceptional drying results. This advanced formula accelerates drying time while eliminating spotting and streaking, ensuring utensils, cutlery and crockery emerge pristine and ready for immediate use. Safe for metal, glass and plastic surfaces, Power Rinse incorporates an inbuilt descaler to combat mineral buildup, prolonging equipment life and maintaining consistent efficiency in high volume operations. The versatile composition adapts to varying water conditions, promoting a spot free finish that enhances presentation and hygiene standards. Ideal for restaurants, hotels and catering facilities, Power Rinse combines reliability with cost saving benefits, reducing energy consumption and manual intervention while upholding the highest levels of cleanliness and operational productivity.

Features & Benefits

- Eliminates spotting & streaking
- Effective in most water types
- Safe on metal, glass & plastic
- Inbuilt descaler
- Auto Dispensing System

For Use On

All Kitchen Utensils
Cutlery & Crockery
