

## Description

RED DIRT is a powerful multi purpose acid cleaner engineered for superior detailing of cars, trucks and heavy duty equipment. This super strength formula swiftly removes red dust, rail dust and embedded grime, restoring alloy wheels, paintwork and surfaces to a brilliant shine. Fast acting and versatile, it penetrates tough contaminants on vehicles, mining machinery, rail cars and more, delivering professional results in minutes. Ideal for mechanics, detailers and fleet managers, RED DIRT tackles the harshest environmental soiling without compromising surface integrity. Apply directly or dilute for targeted brightening, then rinse for a streak free finish that enhances appearance and protects against future buildup. Transform dirty, dull exteriors into showroom ready assets with this reliable, high performance cleaner that powers through red dirt challenges effortlessly.
