

## WASHING SODA

### Description

WASHING SODA is a white granular powder that serves as a powerful natural cleaning agent and water softener to boost laundry detergents. This versatile alkaline booster cuts through tough, greasy deposits lifts stubborn stains and enhances the performance of your regular detergent delivering brighter cleaner results, with every wash. Ideal as a laundry booster it softens hard water, reduces soap scum buildup and improves overall cleaning efficiency for cottons, synthetics and everyday fabrics. Use it as a pre-soak stain remover by dissolving in warm water to tackle grease, oil, food, marks and perspiration before laundering. WASHING SODA simplifies tough laundry challenges extends detergent effectiveness and restores garments to fresh vibrant condition, without harsh chemicals. Rely on this timeless natural powerhouse for superior stain removal and laundry enhancement.
